**H-10-439**  
Criminal No. \_\_\_\_\_

**NOTICE OF RELATED CASE  
AND MOTION TO TRANSFER**

The United States of America, by and through its undersigned attorneys, respectfully submits notice that the above-styled criminal case is closely related to three other cases currently before the Honorable Judge Keith P. Ellison. The above-referenced case is related to United States v. Albert Jackson Stanley, Cr. No. 08-597, in which the defendant has pleaded guilty and is awaiting sentencing; United States v. Kellogg Brown & Root LLC, Cr. No. 09-071, in which the defendant has pleaded guilty, has been sentenced, and is serving a term of organizational probation; and United States v. Jeffrey Tesler & Wojciech Chodan, Cr. No. 09-098, in which the United States has requested the defendants' extradition from the United Kingdom.

In the interest of judicial economy, the United States submits that the above-referenced case should be assigned to Judge Ellison because it involves the same conspiracy and criminal conduct as the three related cases already assigned to Judge Ellison. The defendant in United States v. Albert Jackson Stanley, Cr. No. 08-597, and the defendant in United States v. Kellogg Brown & Root LLC, Cr. No. 09-071, each pleaded guilty to, among other charges, a conspiracy count charging the same conspiracy with which the defendant is charged in the above-referenced case. Similarly, the defendants in United States v. Jeffrey Tesler & Wojciech Chodan, Cr. No. 09-098, are charged with, among other things, a conspiracy count charging the same conspiracy with which the defendant is charged in the above-referenced case.

WHEREFORE, in the interest of judicial economy, the United States respectfully requests that United States v. Technip S.A. be transferred to the Honorable Judge Keith P. Ellison.

Respectfully submitted,

DENIS J. MCINERNEY
